Kilkenny's Family Handbook is a summary of the centre's policies and procedures. Families can refer the Policy and Procedures Manual for a full comprehensive version that is kept with the sign in /sign out booking sheets.

About Us

The Director, management committee and staff of Kilkenny OHSC extend a warm welcome to you and your child / children.

We are dedicated to providing high quality care to school aged children and their families. Our flexible program responds to the abilities, needs and interests of the children individually, and in group settings.

Each child and family are accepted and valued, regardless of cultural background, gender, religion or ability. Multicultural awareness and respect are incorporated in our program. In our centre, the children have an opportunity to participate in many planned and spontaneous experiences in indoor and outdoor environments.

Our staff utilise positive techniques of guidance to encourage children to develop independence, high self-esteem, and demonstrate appropriate behaviours as well as respect for themselves and others.

Our Goals:

- ❖ To provide a safe, nurturing and stimulating environment where children can enjoy their free time.
- ❖ To provide a home-like setting where children can play and work.
- ❖ To use a child-centred approach with planned and spontaneous experiences, in which staff can support and encourage creativity amongst children.
- ❖ To provide interactions and experiences that will foster aspects of a child's development.
- ❖ To be supportive to our families and strive for open communication and good relations between parents, staff, children, management and the community.
- ❖ To have directed learning programs based around the frameworks of 'My Time Our Place' and 'Early Years Learning'.

Please feel free to contact the Director to discuss your child's progress, development and wellbeing.

Linda Burke **Director/ Nominated Supervisor**

What is OHSC

OHSC stands for Out of Hours School Care. We provide quality Before School Care, After School Care and Vacation Care.

Governance/ Management

The management structure of Kilkenny OSHC aims to ensure that all aspects of the centre's, administration and children interactions run smoothly. The management structure also seeks to support families and educators as best they can in any child care related area.

Approved Provider – Kilkenny Governing Council

Principal – Peter Dunstan

Nominated Supervisor / Director – Linda Burke

Educational Leader – Antonia Scriva

Governing Council Committee - Consists of Chairperson and volunteers of Governing Council.

Certified Supervisors - Refer to notice board at the centre's entrance for today's responsible person.

Our Philosophy

Philosophy & Aims

Our Philosophy is guided by 'Being, Belonging, Becoming: The Framework for School Age Care in Australia' 'My Time Our Place', Early Years Learning' and the National Quality Framework. We meet our Philosophy and aims by following Kilkenny OHSC Policies and Procedures.

In Relation to Children

We acknowledge that all children are unique individuals with their own needs, interests and strengths. All children are given equal opportunities regardless of their gender, culture and socio-economic background. We acknowledge that children's voices are the most important part of our programs.

Children learn best through play and educators will support development by providing experiences that are meaningful to the children and, most importantly, reflect their interests. The child's knowledge is valued and can be used as a tool for enhancing the knowledge of others.

Learning is promoted through experimentation, investigation, risk taking and role play in a comfortable, relaxed, home like environment. Educators will follow children's interests and create a fun sense of learning by providing open ended individual and group activities as well as, but not limited to, creative and challenging experiences.

Children develop and learn at their own pace; therefore, educators will ensure their expectations of children's development are specific to each child and their experiences.

A positive self-concept, high self-esteem and social competence are the basis for learning. Educators will ensure children are given meaningful praise for efforts, success and positive behaviour and will be supported to build positive relationships with their peers.

We endeavour to foster and build positive relationships with the children and will engage in positive interactions.

Educator's will support each child's background within the environment, using experiences across all learning outcomes; Children have a strong sense of identity, Children are connected and contribute to their world, Children have a strong sense of wellbeing, Children are active and involved learners, Children are efficient communicators.

We are committed to inclusive and equitable practices and will support the inclusion of children with additional needs, working in conjunction with the family and other support services and agencies.

Educators will support each child's emotional development through the Principles of "Belonging, Being and Becoming" and its practices.

In Relation to Families and Community

We acknowledge families are the most important people in their child's life and have valuable information to share with us. We will make parents feel welcome and encourage them to become involved at the centre in whatever way they feel comfortable.

Individual families have their own parenting and childcare practices, which educators will acknowledge and respect.

We recognise that families are active members of the larger community. We aim to establish and further develop our collaborative partnerships with both families and the community.

We encourage feedback, suggestions and opinions regarding the centre's procedures, policies and the general running of the centre.

Families need to feel secure in knowing that their child is cared for in a nurturing environment.

Families have the right to confidentiality and respect for privacy.

Families have the right to access affordable, high quality care and education.

In Relation to Educators

We recognise and respect that every educator is an individual with diverse needs, interests, skills, knowledge and experience. We support educator's personal philosophy regarding childhood and education of children.

Educators will work as a team by motivating and supporting each other.

Educators will help to build an atmosphere of trust and respect through open communications, respecting different points of view and maintaining confidentiality.

Educators will abide by the centre's Policies and Procedures, the Centre's Code of Ethics, UN Conventions of the Rights of the Child and the National Quality Areas (NQF).

We recognise that as Educators we are all role models, firstly for the children but also for other educators. We acknowledge that it is our responsibility to welcome, assist and encourage new staff members in a positive manner.

Nominated and Certified Supervisors will always endeavour to display leadership qualities.

In Relation to the Program

The program encourages children to make choices and have control of their own learning through individual interests and their 'voices' being acknowledged. Short and long-term projects are added to and

changed according to the children's needs and interests of 'Early Years Learning Framework' and 'My Time, Our Place'.

The program provides opportunities for indoor / outdoor play that promotes child initiated small group experiences and fosters nurturing and sibling relationships.

The program is based on the National Quality Framework where the children's needs and interests are the focus and educators work within these interests to assist with the child's development.

The program provides opportunity for the children to participate in spontaneous activities. These are recorded on the program and evaluated.

The program reflects the learning outcomes from the 'My Time, Our Place' and 'Early years learning' frameworks.

We believe that the role of educators within the centre is to be facilitators that guide and encourage children's learning at the child's own pace.

We acknowledge and support the process of children's play rather than focussing on a final product.

The program will be accessible and clear for families to read, comment on and offer feedback and suggestions.

All educators will be given opportunity to have input into the program with ideas and suggestions.

In Relation to Health and Nutrition

Educator's will promote and implement healthy hygiene practices in the daily routines. Educator's will model healthy hygiene practices as well as remind children to carry out the same practices.

Healthy eating will be promoted. We will endeavour to provide a variety of nutritious meals for the children. Children who have allergies will be considered and catered for, according to their needs.

In Relation to the Environment

We recognise the importance of providing a safe, secure and consistent environment that supports trust and familiarity as well as active exploration of learning.

We believe that environmental sustainability is our responsibility and we endeavour to become active advocates of 'Going Green'.

We acknowledge the Traditional owners and custodians of this land.

We recognise that we are part of the world community as well as our local community. It is our role to support children to become environmentally responsible and contribute to a sustainable future.

Aims and Objectives

- * To provide a stimulating and inclusive centre program in order to help children successfully transition to school.

- ❖ Children collaborate with others, express ideas and make meaning using a range of media and communication technologies

The National Quality Standards

Established in 2012 The National Quality Framework raises quality and drives continuous improvement and consistency in Australian education and care services. The National Quality Standard (NQS) is a key aspect of the National Quality Framework and consists of seven quality areas, each containing standards and elements, that children's education and care services are assessed and rated against.

The seven quality areas covered by the National Quality Standard are;

1. Educational program and practice
2. Children's health and safety
3. Physical environment
4. Staffing arrangements
5. Relationships with children
6. Collaborative partnerships with families and communities
7. Leadership and service management

Our Quality Improvement Plan

The National Regulations require approved services to have a Quality Improvement Plan (QIP). The aim of Kilkenny OHSC's QIP is to help the centre self-assess its performance in delivering quality education and care and to plan future improvements. The QIP information can be accessed by all families and they are invited to check updates and provide feedback.

Priority of Access

The OSHC has a licensed quota of children it can have enrolled and cannot exceed this number. The centre has a waiting list and considers the below priorities for enrolment places;

- ❖ Working, studying parent / guardians
- ❖ Children at risk
- ❖ Awaiting care
- ❖ Any other child

Fee Structure

Fees are payable by internet transfer, eftpos (savings or credit). **CASH IS ACCEPTED.**

Any overpayment will be credited against your next week's account.

No payment is required for public holidays or over the closure at Christmas or during school holidays if your child is NOT booked into the Vacation Care Program.

Fees for School Development Days (Pupil Free Days) will be the same as the Vacation Care Fee.

Overdue Fees

If a payment has not been received within one week after the term invoice has been emailed, a reminder letter will be issued. If payment is not received within the following week a reminder letter is issued and if still outstanding escalated through the Business Manager to debt collection services. If fees are three weeks overdue, the centre will not hold your child's booking unless due cause can be shown to the centre as to why fees remain in arrears. Your child's place at the centre could be terminated unless you have made arrangements with the Director/Principal.

Childcare Benefit & Child Care Rebate

Claiming Child Care Benefit & Child Care Rebate – all customers

To claim Child Care Benefit (CCB) or Child Care Rebate (CCR) you need to be assessed and approved for those payments by the Family Assistance Office (FAO). The FAO issues Customer Reference Numbers (CRNs) for you and your child / children. You must provide the CRN and the date of birth of the parent who is claiming CCB and the CRN and the date of birth of your child / children to your child care service. With this information, your child care service is able to report your child's attendance information through the financial year and, depending on the payment method you choose, receive Fee Reduction payments on your behalf.

Orientation

We believe orientation is an important processes where educators are able to get to know children and families. Orientation is also a good opportunity to gain important information about the new child's needs and those of the family. The orientation process helps to make the transition from home/school to care as smooth as possible and maintain continuity between both places, which helps the child adjust to the new setting.

New families are invited to attend the centre at a mutually convenient time with their child/children to visit and meet the educators and familiarise themselves with the environment. New families will be guided through enrolment procedures, areas, routines, programs and any special requirements for the child that may need to be accommodated. Part of this orientation visit is also to explain/collect the required documentation for the child (enrolment form, immunisation record, Medicare number, risk minimisation plan, behaviour plans).

Educators will also discuss how best to help your child/children settle into the centre. Educators will encourage parents to say goodbye at drop off and are reassured that if the child remains distressed over a period of time that an educator will contact them. Families are encouraged to come earlier on collection to spend time with their child.

During orientation children may participate in the activities occurring at the time if they so desire. Positive interactions at this time (between parents, educators and the child) are important for the children to build positive attitudes towards Kilkenny OHSC's environment. Educators are aware that all children respond to situations differently and that some children may respond to new experiences faster than others.

Parents will be kept informed about how their child is settling in on collection and are welcome to discuss any aspects with the Director / Nominated Educator at a convenient time. Parents are also invited to phone and check on their child at any time if there are any concerns.

Kindergarten and New Children enrolled in OSHC

To ensure kindergarten and new children from other grades and their families are supported during the settling in period, the **centre facilitates the following strategies;**

- ❖ Kindergarten children are collected at 3:15 pm by an OSHC staff member.
- ❖ A kindergarten / new child dedicated staff member will supervise the children and encourage them to interact with all children at the centre.
- ❖ Other children at the centre are buddied up with kindergarten and new children to help them feel comfortable and settled into the centres routines and develop positive relationships.
- ❖ Educators assist families to develop and maintain a routine for saying goodbye to their child.

Educators will regularly share information with families about your child's wellbeing.

Families are encouraged to:

- ❖ Contact educators during the day if they wish.
- ❖ Children who are distressed at separating from their family being comforted or being closely observed and offered reassurance when they want this type of interaction.

Medical Information

Immunisation

From 1st January 2014, it is a legal requirement for all children attending childcare to provide to the centre a copy of the child's Immunisation History Statement provided by the Australian Childhood Immunisation Register. Failure to provide this to the centre will result in your child not being allowed to attend.

Infectious Diseases

Kilkenny OHSC provides a safe and hygienic environment and has a policy with regard to infectious diseases which is consistent with National Laws and Regulations. The centre takes reasonable steps to manage the spread of infectious diseases through the implementation of procedures. It is parent's responsibility to report any infectious conditions to the centre staff and Director / Nominated Supervisor. The privacy of individuals will be respected at all times. For further information please consult the Director and staff.

Illness & Accidents

Kilkenny OHSC must ensure the following if a child has an accident or becomes ill whilst attending the Centre:

- a) the child is kept under adult supervision until the child recovers or until an authorised adult takes charge of the child. If the child cannot continue in the session, arrangement shall be made for the child to be taken from the session as soon as possible;
- b) if the child requires immediate medical aid in the session, all reasonable attempts are taken to secure that attention and to notify the parent / guardian / approved person of the accident or illness; and
- c) in the case of medication being required in an emergency without the prior consent of the parent / guardian / approved person, the consent will be made from a registered medical practitioner.

Accident Procedures

The centre staff will make every effort to reduce the possibility of accidents and injuries.

A staff person trained in Asthma, CPR, Defibrillation and Anaphylaxis will always be present.

All injuries will be recorded on an Incident Report form. Parents will be informed of any injuries and treatment given on this form. If staff feels it is necessary for the child to be picked up by a parent / guardian, you will be called immediately. If the minor injury only needs cleaning, a Band-Aid or icepack, you will not be called, but informed when you pick your child up.

If an injury requires medical care, we will contact parents immediately to pick up the child to take him / her to the hospital. If we feel the injury is too severe for the child to be transported by car, we will attempt to contact you and an ambulance will be called immediately. You will be responsible for any costs incurred.

The National Regulations is to ensure that regulatory authorities are notified of incidents that seriously compromise the health, safety or wellbeing of children. The regulatory authority is then able to take appropriate action. (Regulation 12: meaning of serious incident)

The regulatory authorities will be notified if:

1. Any incident involving serious injury or trauma to, or illness of, a child while being educated and cared for by an education and care service, which:
 - a. a reasonable person would consider required urgent medical attention from a registered medical practitioner or
 - b. for which the child attended, or ought reasonably to have attended, a hospital e.g. whooping cough, broken limb, anaphylaxis reaction
2. any incident where the attendance of emergency services at the education and care service premises was sought, or ought reasonably to have been sought
3. The death of a child:
 - a. while being educated and cared for by an education and care service or
 - b. following an incident while being educated and cared for by an education and care service.

First Aid Facilities

The Nominated Supervisor shall ensure that a fully equipped first aid kit is maintained in efficient order in the centre. All staff members will maintain current First Aid and Asthma and Anaphylaxis training.

Medication

Medication is to be administered to children only with written authorisation from parent / guardian. The authorisation must specify:

- a) which medication the parent is supplying
- b) when they want the medication to be given
- c) expiry date
- d) date and signature of parent / guardian

Medication consent forms are in the Director's and should always be used when your child requires medication.

Children will not be given medicine that is prescribed for another person; the medication should be delivered to the Certified Supervisor in charge that day, be in the prescribed bottle and have only the Doctor's instructions on it. Medication will be administered by a Certified Supervisor only.

If there is a difference of opinion between the bottle instructions and the parent's instructions, then the lesser amount will be given.

In the case of medication being required in an emergency without prior consent of the parent / guardian / approved person, consent will be made by a registered medical practitioner.

If any medication is administered by staff during the session, records shall be kept detailing the medication used, the date, time and dosage of administration and the person who administered it.

Parents are encouraged to advise the centre Director / Nominated / Certified Supervisor of any medical details that could assist in the care of their child in the case of an emergency. A risk management plan must be filled out between the family and the Director / Nominated / Certified Supervisor.

N.B. STAFF PROCEDURE –

Staff will note time of any medication administered in the Variation Book and sign off for same.

Accident / emergency details will be recorded in the accident book which is kept near the sign in/sign out sheets. Refer to Medication Policy.

First Aid for Asthma

In the event of a child requiring asthma first aid, staff will follow the South Australian (SA) Asthma Foundation Action Plan, (unless a separate Action Plan has been devised for individual children by their medical practitioner). This entails:

If it is a first attack of asthma for a child, the SA Asthma First Aid Plan will be followed immediately, regardless of whether the child is known to have asthma. No harm is likely to result from giving a reliever to someone without asthma.

Asthma First Aid Plan

***Asthma First Aid Plan**

Step 1: Sit the child upright, remain calm and provide reassurance. Do not leave the child alone.

Step 2: Give 4 puffs of a blue reliever (Airomir, Asmol, Epaq or Ventolin), one puff at a time, through a spacer device. Ask the child to take 4 breaths from the spacer after each puff.

Step 3: Wait 4 minutes.

Step 4: If there is little or no improvement, repeat steps 2 and 3. If there is still little or no improvement, call an ambulance immediately (Dial 000). Continue to repeat steps 2 and 3 while waiting for the ambulance.

In an emergency the blue reliever puffer can be accessed from the Asthma Emergency Kit, or borrowed from another child. No harm is likely to result from giving a reliever puffer to someone without asthma.

If your child has asthma, a risk minimisation form must be completed by the family in consultation with the OHSC Certified Supervisor.

Anaphylaxis

Anaphylaxis is a severe allergic reaction which is potentially life threatening. Potential triggers for anaphylaxis will be avoided, treatment plans will be in place, and staff will be trained on how to manage anaphylaxis in the centre. Any child with an allergy will be provided with an environment that is safe and allows them to participate in the daily routine of the centre without risk of fear of being exposed to traces of their allergen to which they are allergic.

It is the responsibility of parents / guardians with an anaphylactic child to identify their child's condition to the Director / Nominated Supervisor on enrolment.

It is the responsibility of the parents / guardians who has a child who suffers from Anaphylaxis to provide an EpiPen to the school.

If your child has anaphylaxis, a risk minimisation form must be completed by the family in consultation with the OHSC Director / Nominated / Certified supervisor.

Allergy Awareness

Throughout our centre we have a number of children with **life threatening allergies** to various forms of food, latex, dust, cats and insect stings. This is a serious matter, one that our centre must address.

Some children have allergies that are so severe that smells or touch could trigger a reaction.

In order to do this we appeal to all parents to assist us in caring for these children by considering the type of foods you pack for your own child's morning tea / afternoon tea and lunch.

Our aim is to minimise the amount of peanut and tree nut products brought into the centre. These foods are extremely dangerous to our children with allergies and cause 50% of food allergic deaths.

Common foods that trigger an allergic reaction are listed below and we ask you to refrain from sending them to OHSC and to seek suitable alternatives.

“Health Food” confectionary bars containing nuts	
Foods containing satay	Thai, Malaysian, Indonesian meals
Some moisturisers	

OHSC does not provide any of these products.

In the case of a child bringing a nut product to OHSC, the staff will bring the matter to the attention of parents.

Nut free Alternatives

There are many foods that DO NOT contain peanuts or nuts in their ingredients list, but the food package has the statement, “May contain traces of dairy, nut or seed”. This food may be brought to OHSC and consumed only by non-allergic children.

Due to safety and concerns, we discourage children from sharing food and drink. We would also appreciate parents speaking to their children regarding this matter. Your child’s diet at home need not change.

Below is a list of foods that are safe for you to choose from. We’re sure you can think of many others.

- ❖ Fruit and vegetables
- ❖ Dried fruits
- ❖ Fruit snack packs
- ❖ Vegemite, jam, honey, cheese spreads
- ❖ Parker’s Pretzels
- ❖ Rice crackers
- ❖ Whole grain crackers

- ❖ Popcorn
- ❖ Plain biscuits – sweet or savoury – without nuts
- ❖ Yoghurt – without nuts mixes
- ❖ Fruit based muesli bars and snack bars – without nuts
- ❖ Plain Cornflakes, Rice Bubbles, Weetbix, etc – without nuts

Basically, we ask you not to send food to OHSC with your child that contains a nut or nut product in the list of ingredients.

We thank you for helping us to provide a safe environment for all children at Kilkenny OHSC Centre.

Meal Times

The centre provides breakfast for children who request it from 7:00 a.m. to 8:15 a.m.

During Vacation Care, breakfast will be served from 7am to 9:00 am. The breakfast menu alternates and is different each day. To accompany the menu cereals, toast, yogurt and Milo are available every day.

We also provide a nutritious afternoon tea meal accompanied with a variety of fruits at 4:00 p.m.

During Vacation Care children are required to bring their own morning tea and lunch unless specified otherwise.

Parents should inform the centre of food restrictions or dietary requirements concerning their child / children. We can make provisions for vegetarians, gluten and dairy intolerances and may be able to support other dietary requirements or needs.

Workplace, Health and Safety

The safety of children, staff and families of the centre, is achieved through following the specific policies and procedures to provide a safe, clean and healthy environment.

The centre encourages parents to notify the staff should they see any potential hazards at the centre.

Food and Handling

The centre staff will ensure that the food provided at a session is nutritious and varied following nutrition, food safety and hygiene guidelines.

The centre has a policy on the provision of food and shall ensure that the policy is practiced.

Drinking Water

The staff at the centre shall ensure that safe drinking water is always available for children.

Sun Safety

We are a Sun Smart OHSC and follow guidelines for sun protection offered by the Australian Cancer Council. All children are required to wear broad brimmed hats when outside, this can be provided by the centre for use at the centre, or children can use their school hat. During vacation care it is important children wear sun appropriate clothing, (clothes with sleeves). Children and staff are encouraged to apply SPF30+ (or above) broad spectrum, water-resistant sunscreen, before going outdoors and reapply every 2 hours. Sunscreen is available at the centre for all children/families/staff.

The centre's program and routines avoid children being exposed to the sun for long periods and not at all during extreme conditions. It also aims to educate children to reduce their risks to sun exposure and develop effective long-term sun safe behaviours.

Building Cleanliness, Maintenance & Repairs

The centre shall ensure that the venue, grounds and all equipment and furnishings used by the session are maintained in a safe, clean, hygienic condition, are always age appropriate and child safe and in good repair.

Emergency

Emergency Procedures/ Fire Drills/ Lockdowns/Evacuations

In the event of an emergency staff and children will follow the centre's emergency plan which is available to all families to view on request. The centre's staff members are trained to respond to emergencies, with emergency and fire extinguisher training. The staff and children at the centre shall practice its emergency evacuation and lock down procedures at a minimum of one per term and one per vacation care.

To facilitate emergency evacuation procedures, exit routes and evacuation meeting points will be posted near every exit in the building.

Attendance

Parents (or authorised adult) **must** accompany their children to the centre each day and sign their child in / out each day irrespective of the child's age.

Parents must notify the centre if a child is not attending or if the child has been taken home from school during the day. If a planned excursion is made for the child at school, parents must advise the Director / Nominated or Certified Supervisor of what time they are required at school. Failure to do so could result in your child missing the planned excursion.

No child will be permitted to leave the centre unless accompanied by an authorised person. (All persons authorised to accompany children from the centre will have to be shown on the enrolment form & must produce photo identification). Primary aged children are not permitted to be signed in / out by other primary aged children. High school students are permitted to sign in / out enrolled primary aged children from this centre.

In the event that the person picking up your child is intoxicated or indicates a potential threat to the child, staff will immediately contact an alternative emergency person listed in your child's file and request that the person pick up your child.

Absences

ADJUSTMENTS TO FEE PAYMENTS

All absences will be charged the normal fee for that session. Should your child be absent for five or more days and you produce a Doctor's certificate, you will then be exempt from payment for the absent days. Certificates must be produced within the first 5 days of attendance after the absence. Certificates produced after one week, will not be accepted. After School Activities, tennis, band, camps, parent's RDO's, family holidays are not grounds for exemption from fees. Children who have four or less days absence due to illness will still be charged for the sessions. A Doctor's Certificate should still be produced to exempt you from gaining an 'allowable absence' from the Family Assistance Office.

Arrival & Departures

Arriving at OHSC from school

- ❖ Primary children will walk to OHSC for roll call once they have been dismissed by their class teacher.
- ❖ Kindergarten children will be picked up from outside the kindergarten classrooms.
- ❖ All children will come to meet staff at the Deck 3:10pm and have their name marked off and go in to the Gym for a roll call.

Dropping off of children

Parents and guardians need to sign their child/ children IN to the centre on the roll form no earlier than 7:00am. Parents and collectors need to record the time they are dropped off and sign with their signature. Please note this is a legal requirement and accurate times and signatures are important as this process officially signifies the child is in the centres care.

Collection of children

Parents, guardians and collectors need to sign their child / children out of the centre on the roll form when picking them up. Parents and collectors need to record the time they are picked up and sign with their signature. Please note this is a legal requirement and accurate times and signatures are important (failure to do so incurs additional fees). This process officially signifies the child has been collected and is in the parent / guardian's care.

On collection parents should also check the communication notice board near the sign in/out book, look at the daily program, photo board and collect any art and craft projects. It is also important to encourage children to say good bye to staff.

The centre closes at 6:00pm and late collections will incur extra charges.

In the event of a missing record of the signature the centre's certified supervisor will call to confirm collection even if the collection has been witnessed by staff.

Late Pick up Fee

Children collected after 6.00 p.m. will be subject to a late fee of \$1.00 for every minute, payable within five days of fee incurred. Parents who are running late should phone the centre to make alternative arrangements. If no phone call has been made to the centre regarding the parent's lateness by 6:30 pm, then the child will be taken to Port Adelaide Police Station and a note will be left on the OHSC. gate, also an additional \$100.00 penalty will be charged. Regardless of the parents phoning the Centre to advise that they will be late, they will still be charged the late fee and any other costs incurred.

Authorised Collectors

Authorised collectors have been listed by parents and guardians on the enrolment form.

For identification purposes the collectors ID document will need to be shown to the Certified Supervisor on collections. Such ID documents include;

- ❖ Drivers licence
- ❖ Passport

Should you require a person to collect your child who is NOT on your authorised collectors list, you will be required to put this in writing with your signature. Any collector will also need to provide the centre with an identification document (as listed above).

Once authorisation for collection has been established the identification document will need to be photocopied for the centres record before your child will be released to the collector.

Access by non- custodial parents

If a child is subject to an access order or agreement, the service must have a copy on record plus any subsequent alteration registered by the court. Unless your court order is on file with us, we must provide equal rights to both parents.

Evidence of court orders or agreements will be considered part of the enrolment in order to minimise the likelihood of distressing situations occurring in the future.

Missing Child Policy & Procedures

In the event of a missing child the centre will follow the Missing Child policy and procedures;

- ❖ Check the grounds and building
- ❖ Check with the school staff
- ❖ Check with parents if the child has been collected
- ❖ Notify police.

Centres Daily Operations Rules

ESSENTIAL RULES FOR THE DAILY RUNNING OF THE CENTRE

1. All children **must** be signed in and out of the centre everyday by an authorised adult. No consideration will be made to parents 'running too late' to sign their child in.
2. Failure to notify the centre of your child being absent will result in full fees being charged.
3. Kindergarten children must report to the staff member collecting them in the afternoons, in the Kindergarten area of the school.
4. All clothing and belongings must be clearly named. No responsibility can be taken for lost property.
5. Any loss or damages to the centre, school, equipment or another family's property which is due to your child's behaviour, will be your responsibility.
6. The Director/ Nominated/ Certified Supervisor must be informed if the child is to be collected by someone else other than those authorised in the enrolment form and photo identification must be shown when collecting the child. This must be written permission with the parent's signature.
7. The Director/ Nominated/ Certified Supervisor must be informed of changes in days of attendance, daily routine, and change of address, telephone numbers or home details, medical details.
8. Children must not attend the centre if they are sick. If your child becomes ill whilst at the centre, the staff will telephone one of the parents and ask them to collect the child immediately.
9. If your child is taking medication, it must be handed to a Certified Supervisor. Do not leave it in the child's bag. Refer to medication policy.
10. Please read the Notice's displayed each week. Also remember to collect any notices from the Director/ Nominated/ Certified Supervisor
11. Parents / guardians must notify the Director/ Nominated/ Certified Supervisor if their child has an excursion on that day which requires them to be at school earlier than the set time. Failure to do so could result in your child missing out on the planned excursion.

Welfare

Duty of Care

The safety of children, families and staff is of the utmost importance to the Kilkenny OHSC Centre. The centre's employees have a duty to take reasonable care for the safety and welfare of the centres enrolled children. Educators will take all reasonable action to protect children from risks of harm that can be reasonably predicted. The risks associated with all activities is assessed and managed before the activity is undertaken.

The duty encompasses a wide range of matters, including (but not limited to);

- ❖ the provision of adequate supervision
- ❖ ensuring grounds, premises and equipment are safe for children & staff
- ❖ implementing strategies to prevent bullying from occurring at the centre
- ❖ providing medical assistance, or seeking assistance from medically trained personal

Behaviour Guidelines/ Policy

Kilkenny Out of School Hours Care has decided to implement this behaviour management policy / process to ensure all children attending the centre have a fun filled day and are happy to participate in the centre's program. Unfortunately, we sometimes have children who misbehave and this result in the staff having to spend too much time dealing with this negative behaviour instead of putting their energy into creating positive experiences for the other children.

Negative behaviour from children leads to unhappy staff and children. The staff at OHSC aim for successful programs, so by managing the negative behaviour, will give staff more opportunity to achieve a successful and happy day for all.

The rules will be discussed regularly with the children attending the program and a poster will be displayed for all to see.

Rules

KILKENNY OHSC. CENTRE'S 'RULES'

The following is a list of our 'Rules' that should be followed by children whilst attending this centre. Should your child disobey any of these rules, the Certified Supervisor will phone you to collect your child immediately. Your child may be 'suspended' from OHSC until a decision has been made as to the consequence of your child's behaviour. Termination of enrolment is a possible result.

Below is a list of rules that children are expected to follow:

1. Children will always stay together as a group and always stay within sight of staff.
2. Children will always listen and co-operate with staff.
3. Children will always stay inside the designated play areas.

4. Children will keep their hands, feet etc to themselves and not physically hurt others or engage in any other forms of bullying.
5. Children are not permitted to damage or break the property of OHSC, other children, staff or any other person's property.
6. Stealing from the centre, other children or staff is not acceptable.
7. Children will always use appropriate language.
8. Throwing of objects which may injure another person or property is not permitted.
9. Sticks or rocks or other dangerous objects MUST stay on the ground.
10. Spitting is not permitted.
11. Bullying / Teasing of other children will not be tolerated which includes racial comments.

Conflict Resolution

In the event of a conflict where a parent becomes involved with either a member of staff or child (other than their own) the matter must be brought to the attention of the Director / Nominated Supervisor immediately and not handled directly. Under no circumstances will the parent be allowed to approach the child directly. (See "Complaints Procedures" in OHSC Policy Manual for more information).

Additional Needs

It is the responsibility of parents/guardians to inform the Director of any medical or additional needs their children may have. The centre will support the inclusion of children with additional needs, working in conjunction with the family and other support services and agencies. Enrolment acceptance will be at the discretion of the Management Committee and Director / Nominated Supervisor.

Child Protection

Kilkenny OHSC takes its responsibility towards providing a safe and caring environment for all children. The centre believes that the safety of children is always paramount and aims to protect a child's right to be safe from abuse of any kind. All staff maintain current Child Protection training.

Kilkenny OHSC aims to educate all parties about their roles in child protection and about signs of abuse and ensure that all requirements of child protection requirements are being met.

Any suspicion of child abuse is immediately reported to Department of Community Services (DoCS). Under the new Children and Young Persons (Care and Protection) Act 1998, child care workers are considered "Mandatory Reporters". A Mandatory Reporter is someone who is required by law to make a report to DoCS if they have current concerns about the safety, welfare or wellbeing of a child. A child is a person under 16 years. There are penalties for failing to make a report.

The following agencies have responsibilities regarding child protection. Kilkenny OHSC will liaise with these services and agencies should child protection become an issue at Kilkenny OHSC.

External Agencies

- ❖ Child Protection Helpline
- ❖ Child Wellbeing Unit
- ❖ SA Ombudsman's Office
- ❖ Commission for Children and Young People

Personal Belongings

Please label all personal items with permanent marker. If something gets lost but has your child's name on it, you are more likely to have it returned. We are not responsible for lost or damaged personal items. Please refer to the lost property basket if your child has lost an item at OHSC.

Confidentiality

Access to a child's information record is given only to the legal guardians of the child and the staff of the centre. In the case of an emergency or injury to the child, information may be released to the proper authorities, medical staff attending a child, or, in the case of suspected abuse, the appropriate child protection authorities.

Parents should be aware that, in the case of non-payment of fees, pertinent information will be provided to an external collection agency.

Parents are responsible to update their children's files when there are changes of address, work / home phone numbers, etc. All staff respects the privacy / confidentiality of families.

No Smoking

No smoking is allowed on any Education Department premises. Accordingly, no smoking is allowed at the centre by anyone.

Dismissal Policy

The following circumstances may warrant termination or expulsion.

- ❖ Assault or threat of assault by parent / guardian will result in immediate expulsion
- ❖ Non-payment of fees.
- ❖ Non-compliance with the policies and procedures of the centre.
- ❖ Parent's use of abusive language or any inappropriate behaviour towards others.
- ❖ Any destructive, violent behaviour by a child that is harmful to other children or staff.
- ❖ Consistent lateness in picking up a child.

Our Educators

Our educating arrangements enhance children’s learning and development and ensure their safety and wellbeing. We employ fully qualified teachers and educators with a broad range of skills and experiences.

The centre staff work together as a team to provide reliable, quality care for the children, aiming at complimenting, not substituting parental care. The responsible person for the session will hold a Certified Supervisor Certificate and all members of staff will be trained in First Aid and Asthma and Anaphylaxis management. All staff are subject to a compulsory screening carried out by the Department of Community Services for the Child Protection Act.

Our Programs

The centres approach to planning is child- centred, which means programming is designed to build on each child’s strengths and interests. Following the National Quality Framework and My Time Our Place outcomes, the stimulating program aims to develop confident and involved learners while developing their sense of identity, wellbeing and connection and contribution to the world, their families and the wider community. Children are free to choose their own activities or participate in free play. The program aims to provide activities to suit all ages and interests, in both indoor and outdoor environments. Programs and their implementation are reviewed and evaluated for improvements by staff, children and families.

- ❖ **Homework**
Children have opportunities to complete homework tasks at the centre in the mornings and afternoons.
- ❖ **Sports**
The planned program provides opportunities for sport games and physical activities which promote wellbeing, confidence, self-esteem, team and leadership skills.
- ❖ **Creative Arts**
The planned and spontaneous program provides opportunities for children to practice art and craft, music and drama activities which encourage creativity, problem solving, self-expression, role play and confidence.
- ❖ **Environmental**
The centre promotes sustainability and environmentally friendly living through programmed themes and materials used in art and craft activities. Interactions with the natural world and animals are also incorporated into the program.
- ❖ **Science**
Children have opportunities to problem solve, experiment, hypothesis, research and investigate in a range of science-based activities.
- ❖ **Cooking**
The program is designed to teach life skills through various cooking activities and allows for children to develop awareness of nutrition and healthy eating habits.
- ❖ **Play**
Children learn through play; the centre allows children to choose their own activities or participate in free play. Children are encouraged and supported in developing their own games and resources
- ❖ **Self-initiated activities**
Children have the opportunity to explore their interests through promoting their interests within the program. For example, organising their own dance, magic and science experiments. They have responsibility for planning and executing the activity and enjoy the associated feedback from their peers.

Media

Photography

Parents and guardians must give their permission before any photography will be carried out by any person at this centre. This permission is given via the child's enrolment form. In the event of research situations or external organisations wishing to videotape or photograph your child, you will be informed in advance as to the nature of the research and the extent of your child's involvement and will be requested to give written consent for your child to participate in the specific study.

Parents should acknowledge that Kilkenny OHSC Centre may photograph your child / children for a range of purposes including; accreditation, posters, programming and children's profiles books. I understand that if my child appears in a photo with another child/ children, that photo will be shared amongst all the children in that photo.

TV & Movies

TV, DVD's and movies will only be viewed that have a G or PG rating. DVD's and movies may be used as part of a balanced program of activities. They could highlight an activity or interest in the program. DVD's and movies may be planned as part of the program during vacation care.

Parents should be aware that G and PG rated videos may be shown. Should parents NOT want their child to watch a PG rated video, they must advise the Director / Nominated and Certified Supervisor. Staff should preview the film or video where possible. Parents should sign a consent form when taking children to see a film at the cinema. Children will continue to be provided with other activities during the showing of a video / DVD and be properly supervised, even if the majority of the children are attending the viewing.

Technology Use

The centre is committed to including technology as part of children's play and learning. During wet weather and some periods during vacation care children are able to use their own devices. Parents and staff will work in partnership to ensure children are only accessing appropriate content; this will be monitored by staff.

Social Media

Kilkenny OHSC does not support a Facebook page as the centre does not want to encourage the use of social media that may put at risk the safety, health or wellbeing of children, educators, families or visitors at the service. The centre maintains the privacy of children by not including photographs of children which allow them to be identified.

Family & Community Involvement

Kilkenny OHSC aims to develop and maintain respectful and meaningful relationships and partnerships between; children, families, educators and the community, all of which play a significant role in the child's learning, development and wellbeing.

Family Partnerships

The centre recognises the relationships between families as one of the most influential and valuable in a child's life and understands the centres role in being part of this wider community. Staff will endeavour to support parents in their roles values and beliefs, through considering their needs, including their ideas, requests in the program and daily operations, and providing referrals to relevant support agencies. Families and children are invited take part in an orientation tour to familiarise themselves and their child with the centre, enrolment process, and discuss important information and share experiences and knowledge with the children and staff.

Parents are encouraged and welcome to participate in the Centre in a variety of ways. Ways that you can become involved include attending the Governing Council meetings, volunteering, helping on excursions, assisting with policies, programming, offering the centre resources or information that could benefit the centre and children.

Providing Feedback & Information

Information for families is shared via our **OHSC newsletters, email and verbal communication**. Feedback is encouraged through these communication channels and through the centres parent feedback / suggestion and evaluation forms. All relevant centre information is distributed to families in the Family Handbook.

Communication

Face to face appointments can be arranged regarding any concerns or questions families have about their child at a time convenient to them and staff. Parents and guardians are welcomed to telephone the centre to discuss with staff any concerns they may have or just to see how their child is going.

Grievances & Complaints

Kilkenny OHSC's aim is to welcome parent's comments and concerns in any area of our work and encourage parents to speak with us if they have any concerns or comments that may help us improve Kilkenny OHSC, or our performance.

Any parent / guardian/ visitor with a concern or complain in relation to the running of Kilkenny OHSC either in administration or child interaction should do the following:

- ❖ Voice their complaint or concern with the Director/ Nominated Supervisor or the Principal Kilkenny Primary School.
- ❖ Write their complaint or concern addressing it to the Director. You will receive a personal response unless you have chosen to be anonymous.
- ❖ Parents can speak to any educator about a specific complaint or concern. Educators will take steps to address your concern or complaint as quickly as possible. However, educators do reserve the right to have the complaint put in writing.
- ❖ If a service-wide problem has been brought to educators' attention all families and educators will be informed of the contents of your complaint but not your name.

Legislation and Regulation Guidelines

The Education and Care Services National Law and National Regulations (2012) govern Kilkenny OHSC's service policies and operations. Parents and families have access to these documents through a policy manual available at the centre.

The below lists the guides and frameworks the centre operates under;

- ❖ Guide to the Education and Care Services National Law and the Education and Care Services National Regulations
- ❖ National Quality Framework
- ❖ Guide to the National Quality Standards
- ❖ Australian Children's Education and Care Quality Authority (ACECQA) - www.acecqa.gov.au

Sustainability

Kilkenny Out of School Hours Care aims to ensure the environment is safe, clean and well-maintained. Children's awareness of the environment will be promoted through daily practices, resources and interactions. Sustainable practices will be encouraged within the education and care service.

Educators, children and families will be encouraged to become advocates for a sustainable future by making sustainable practices a part of the daily routine. These include:

- ❖ Recycling
- ❖ Gardening
- ❖ Energy conservation
- ❖ Water conservation
- ❖ Sustainable equipment purchases
- ❖ Role model sustainable practices.
- ❖ Discuss sustainable practices with the children and families as part of the services education and care curriculum.
- ❖ Provide information to families on sustainable practices that are implemented at the education and care service and encourage the application of these practices in the home environment.
- ❖ Share ideas between educators, children and families about sustainable ideas, implementation and resources. This can be done at parent meetings, through emails, newsletters and conversations.
- ❖ Purchase equipment that is eco-friendly where possible
- ❖ Use local Council and Government departments as sources of information on sustainable practices used in the local community.

The education and care environment reflect sustainable practices, 'Green Cleaning' and eco-friendly choices. Educators, children, families and the wider community will learn together and embrace environmentally friendly practices. For more information please refer to our Sustainability Policy.
